

1. The first group of respondents (10%) was asked to provide a list of all the people they knew who had been involved in a sexual assault or sexual harassment incident in the past 12 months. This group was then asked to provide a list of all the people they knew who had been involved in a sexual assault or sexual harassment incident in the past 12 months. This group was then asked to provide a list of all the people they knew who had been involved in a sexual assault or sexual harassment incident in the past 12 months.
